

## BERNER ChemoSorb-Pad

### Area of Application and Features

- **Area of application:** Pad for absorbing liquids, eg. contaminated with CMR<sup>1)</sup>-drugs, for transport-boxes, and for the use in laboratories, hospitals, doctor`s surgery and the industry.
- **Properties:** High absorbence. The ChemoSorb pad reliably absorbs and binds liquids. Spills are turned into a gel, thus ensuring a safe and effective disposal. One ChemoSorb-Pad can absorb up to 3 l of liquids. Do not reuse!
- **Disposal:** If pads have been used to absorb contaminated liquids (CMR-drugs): waste requiring supervision (waste code: 18 01 04 in accordance with 2000/532/EC); in the event of heavy contamination, waste requiring special supervision (waste code: 18 01 08\* in accordance with 2000/532/EC); collect and dispose of waste separately.

<sup>1)</sup>: Carcinogenic, Mutagenic, toxic to Reproduction.

### Type

<b>Dimension</b>	380 x 540 mm ± 10mm
<b>Article-no. / Packaging Unit</b>	120014 / 1 PU = 50 pieces
<b>Article-no. / Packaging Unit</b>	120016 / 1 PU = 10 pieces
<b>Colour</b>	natural white

### Material Properties

<b>Material</b>	<ul style="list-style-type: none"> <li>• cellulose-fibre</li> <li>• two-way component polyolefin fibre</li> <li>• super absorber</li> </ul>
<b>Material weight</b>	105 g/m <sup>2</sup> ± 7%
<b>Thickness</b>	1,3 mm ± 7%
<b>Specials</b>	Latexfree

### Mechanical Material Properties (Average Values)

<b>Distensible thickness</b>	10 N / 50 mm
<b>Absorbable liquid volume <sup>1)</sup></b>	≤ 3 litre

<sup>1)</sup>: Internal tests (dependent from the kind of liquid).

### Quality Management System

Our **quality management system** is **tested and certified** by TÜV Product Service GmbH (a certification body accredited by the German Accreditation Council,) in accordance with DIN EN ISO 9001:2008. Regular **audits and production site inspections** guarantee the quality of our products.

### Storage and Transport Conditions

- Dark (protect from direct UV light and sunlight)
- Cool (+5 to +40°C)
- Dry
- No contact with pointed and/or sharp objects

### Shelf Life

- 3 years from the date of manufacture
